Dear Mr. Creech:

On behalf of the Virginia Department of Environmental Quality, I wish to offer our sincere thanks and appreciation for your assistance in the recent Amendment 7 training sessions held across the Commonwealth. This partnership with our regulated community demonstrates the cooperative approach that can be used to help protect Virginia's natural resources. The events were very well attended and the feedback on the quality of the presentations was exceptional. Your effort as a trainer helped ensure the program's success and a better understanding of the requirements of Virginia's new solid waste regulations.

Please accept the enclosed plaque as a small token of our appreciation. We look forward to a continued positive working relationship with you, your organization, and the sponsoring organizations (Old Dominion Chapter of the Solid Waste Association of North America and the Southwest Virginia Solid Waste Association).

Sincerely,

A handwritten signature in cursive script that reads "Jeffery A. Steers".
